## Corporate Volunteering Program

**Now more than ever, businesses are interested in making a positive impact in the community, as well as bringing in revenue.**

Investing in Corporate Volunteering offers long-term rewards through employee retention, engagement and customer loyalty while highlighting Corporate Social Responsibility.

Through key partnerships our **Corporate Volunteering Program (CV)** can support workforces by providing access to organised and professional volunteering experiences with many of our member organisations.

### What are the benefits?

- Opportunities to meet new people and make new connections
- Demonstrates corporate values that support the community
- Increased corporate pride from workforce by making a difference
- Enhanced workforce interactions and relations
- Employee wellbeing opportunity
- Heightened image and positive recognition across business and community sectors

**“Volunteering SA&NT has helped connect us to organisations we would never have known about otherwise, and we now volunteer with a range of organisations”**

**Tam Johnson, Schneider Electric Foundation and Community Lead**

### How we can support you

Our Corporate Volunteering team will manage everything for you - connecting your workforce to customised, professional volunteering experiences that are enjoyable and worthwhile.

We will manage the connection, insurance, logistics, participation recognition and promotional opportunities, and all you need to do is provide the willing and eager volunteering team!

### Types of Corporate Volunteering

**Teams based** - Volunteer groups undertake a volunteering experience as a team, either indoors or outdoors, e.g. gardening, painting, packing food hampers, creating walking paths, preparing and packing meals.

We also offer skills-based volunteering opportunities where volunteers offer their personal expertise, skills and knowledge, e.g. in areas of finance, IT, marketing, human resources and many others.
